Dear USS Billings Commissioning Committee Members,

The Board of Yellowstone County Commissioners would like to express our thanks and encouragement to the committee preparing for the commissioning of the US Navy Ship USS Billings.

Yellowstone County has a long history of supporting our veterans and active duty military, including the Yellowstone National Veterans Cemetery and the Purple Heart Memorial. We understand the honor and responsibility we have in promoting the welfare of the USS Billings crew and their families.

We encourage the community and residents to support the efforts of this committee that will be working on promoting the ship and crew and support not only the commissioning, but continued support of the crews and their families, as they represent Billings, MT throughout the world.

Billings and Yellowstone County are honored that the US Navy has named one of its ships after our community and look forward to supporting this endeavor in any way we are able.

Board of County Commissioners
Yellowstone County, Montana

John Ostlund, Chair
